Cushion with Appliqué Flower

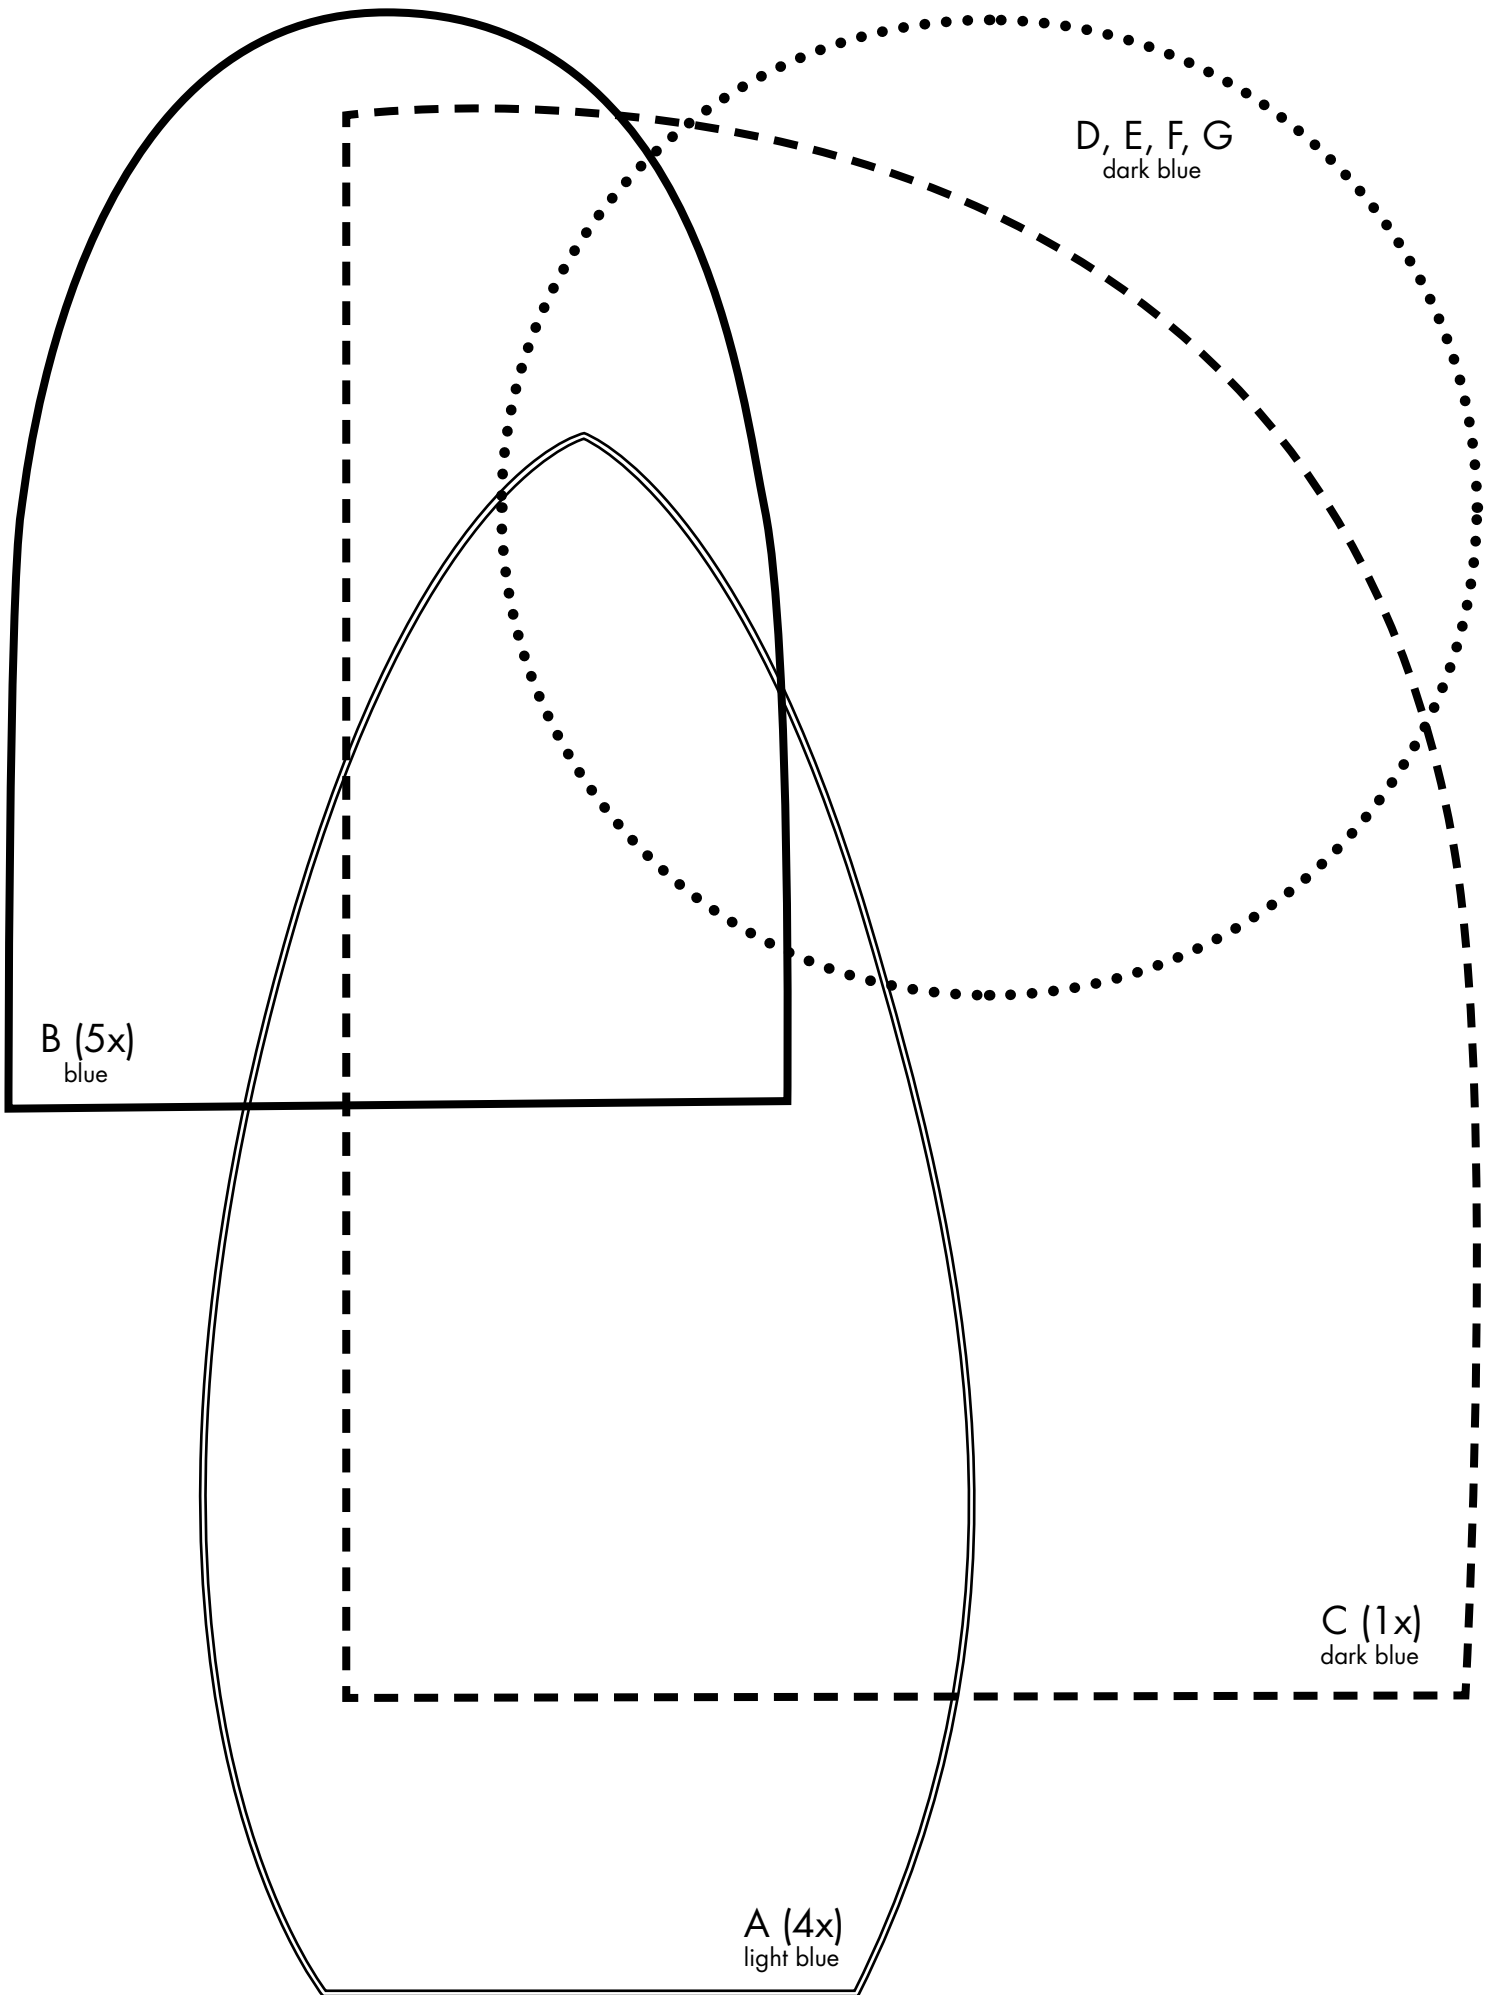

Note: The measurements represent finished lengths, not cutting measurements.

1. Apply fusible batting to the back of the pillow front.
2. Remove release paper from double sided fusible web and apply to the wrong side of appliqué fabrics. Trace appliqué pieces onto the back of double sided fusible web. Cut.
3. Remove remaining paper backing and fuse the appliqué pieces onto the pillow front.
4. Sew the appliqués in place in order from A-G using the Appliqué Foot (Optional Accessory).
5. Decorate your cushion with pearl buttons very easily by using the Sew-on button foot.
6. Insert a zipper using the Invisible Zipper Foot (optional).
7. Use the Grand Piping Foot (optional) to create piping and give a luxurious finish to the cushion.

Read more about the optional accessories and how to use them in the on-line Pfaff® Accessory Catalogue (www.pfaff.com).
