Embroideries:

5 Large Block embroidery:

- Select Design cr_023

4 Small Block embroidery:

- Select Design cr_024

16 Small Block with tapering embroidery:

- For creating the same tapering design as used on the quilt, see separate document called **creative™ 4.5** tapering stitches.

Ribbon Stitches on Wide Border:

- Draw 2 lines with a water soluble maker evenly spaced on the wide border.
- Choose the ribbon stitch category 6.5 and select stitch 1. For instructions on how to sew this special technique, go to page 4:22 in your manual. You can also use Quick help and select the stitch for information on how to sew the ribbon stitch.
- For the second line of stitches select 6.5.5. Repeat the process.

Embroidered Quilted Blocks:

- After the quilt is sandwiched embroider the quilt design cr_003 through all the layers of 16 of the 6" half square triangle blocks.
- Mark with a water soluble marker the center lines of your block.
- Hoop the block in centering the marked lines of your quilt block with the center marks on your hoop.
- In Embroidery Stitch out mode use precise positioning to place the design on the exact center of your half square triangle block.
