

Pfaff creative Fabric Mover with Stitch Regulator

By Quilter's Cruise Control

FEATURES	BENEFITS
Large Fabric Mover Surface glides on high performance ball bearings	Support and move large and small projects with fingertips
Stitch length controlled by optical sensor communication from Fabric Mover to Stitch Regulator "brain". Simple on/off foot switch.	Stitches are perfectly regulated to sew each stitch the same length. Coordination of machine sewing speed with movement of fabric is all done by Fabric Mover with Stitch Regulator. Perfect stitches on all colours of fabric.
Ergonomic Design	Design and movement eliminates neck and back tension
Fabric Mover textured surface holds fabric taut and supports fabric while stitching	No need to press fabric to stitch plate or push or pull fabric under foot while stitching
New way to free-motion makes it easy for all	Immediate success with free-motion stitching—all stitches the same length, fabric moves with fingertip touch
Free-Motion Quilting	Fabric Mover supports quilt, Stitch Regulator keeps stitch length even
Free-Motion Embroidery	Fabric Mover supports fabric, Stitch Regulator keeps stitch length even
Quilts and embroiders through batting	Quilt with any batting you choose from low to high loft, even insulated battings
Stitch even stitches in any direction	Stitch side to side, back to front or any combination with perfect stitch length
Embellish all fabric types	Add texture, highlights, outline stitching, and more to any fabric type, color or weight.
Stitch all styles of stippling and meandering	Move fabric with ease and stitches are perfectly even and uniform
Works with all free motion accessory feet	Use the free-motion foot that is best for the fabric weight and type and technique
Compatible with current computer models	Use with creative series, performance series, expression series machines
User's Guide and Instructional DVD included	Easy step by step instructions plus techniques and inspiration
Comes completely assembled	Simply remove from box, set up and plug in and create!
Adjustable stitch length	Change stitch length as desired for special free-motion techniques
