Ultimate Ease – High Quality – Typical Pfaff

# Feel the need to sew?

The select is ready to go!

## Once a Pfaff – always a Pfaff!

For over 140 years, the Pfaff name has stood for high quality, beautiful stitches and extra sewing enjoyment. You can expect the same attributes from machines in the select line. They are reliable sewing machines that live up to the Pfaff name, with real Pfaff quality at an affordable price. And reliable service is part of the Pfaff promise after you leave the store with your new purchase. See your Pfaff dealer for all of the details.

## Introducing the Pfaff select line!

It's perfect for anyone who needs a versatile sewing machine, with a modern look and very practical features. Plus, all three models in the select line are so easy to use!

You'll love the Easy Select System, which lets you choose from the wide variety of quality Pfaff stitches with just the touch of a button. And don't forget the original IDT™ - only available from Pfaff!

Get acquainted with the Pfaff select line.  
You'll want to start sewing - we guarantee it!

**A clever idea - beautiful designer bolster cushions and pillows, made from colorful hand towels. With flower appliqués and free-motion sewing effect. You'll find sewing instructions at [www.pfaff.com](http://www.pfaff.com)!**

## select<sup>2.0</sup>

Powerful, versatile,  
and convenient!

The **select<sup>2.0</sup>** is perfect for anyone who has been searching for a reliable sewing machine that can turn sewing ideas into reality. With 27 quality Pfaff stitches, you get perfect results with a wide variety of fabrics - even stretch fabrics!

You don't have to search for a stitch - with the **Easy Select System** you simply press a button to select a stitch. Stitch width can be increased or decreased during sewing.

Use the special free-motion sewing position for the presser foot to get the highest clearance for your free-motion quilting and stippling. It makes free-motion quilting so easy!

The **select<sup>2.0</sup>** is easy to use - and that's what sewing is all about. All this - and more - is typical for the select line from Pfaff!

## select<sup>3.0</sup>

With Easy Select System  
and the extra sewing  
advantage: IDT™!

**Absolutely even fabric feed from both the top and bottom.**

Choosing the Pfaff **select<sup>3.0</sup>** means choosing that extra sewing advantage that millions of sewing enthusiasts worldwide endorse: original IDT™ (integrated dual feed). Absolutely even fabric feed from both the top and bottom. The original IDT™ guarantees perfect fabric feed and perfect seams - with any fabric.

**Choosing stitches couldn't be easier!**

The Easy Select System from Pfaff makes it so easy to select any stitch you want. Simply press a button and start sewing!

**IDT™**

Only Pfaff gives you perfect fabric feed with original IDT™! Pfaff makes the difference!

Patterns and plaids match exactly.

## select line - Typical Pfaff

As easy as it gets!

The Easy Select System  
Simply select and sew:

The select line features the Easy Select System. You don't have to search for a stitch - with the Easy Select System you simply press a button and start sewing! Everything is clearly shown, with large, easy-to-use buttons featured on all three models.

The proven Easy Select System from Pfaff - simply a good idea.

**Slender free arm!**

Sewing tubular items, like sleeves, is easy, thanks to the slender free arm.

# select<sup>4.0</sup>

## Even more possibilities!

### The ultimate in piecing perfection!

The ORIGINAL - only from Pfaff for over 35 years!

**Absolutely even fabric feed from both the top and the bottom.**

During sewing, the fabric is fed simultaneously from both the top and bottom so absolutely nothing can slip when working with fine fabrics or several layers. It's wonderful for quilting because piecing and quilt blocks match exactly.

The original IDT™ guarantees that the feed dogs are perfectly synchronized!

Only Pfaff has the original IDT™ built into its sewing machines.

Only select 3.0, select 4.0

The select<sup>4.0</sup> offers all the convenience of the selectline plus a few extras that will make your sewing even more fun and creative.

**You can choose from 40 different stitches,** including a large variety of decorative stitches, for perfect results with any fabric. Threading the needle is so easy with the integrated needle threader, and Pfaff original IDT™ guarantees absolutely even fabric feed from both the top and bottom.

**Extra accessories are included,** like the Darning Foot, the Rolled Hem Foot and the Fancy Stitch Foot, to give you even greater sewing capability.

Compare the features and stitch tables of the three select models to see which one is right for you! Your Pfaff dealer will be happy to assist you!

#### Easy threading!

No more searching for the needle's eye. The integrated needle threader makes threading easy.

#### Decorative stitches!

Add special accents with the decorative stitches available on the select<sup>4.0</sup>. Fancy Stitch Foot included!

#### Special accessory tray with many accessories included:

Standard Presser Foot, EdgeGuide/Quilting Guide, Clearview Foot, Blindhem Foot, Zipper Foot, Buttonhole Foot, seam ripper, Free-Motion/Darning Foot, Rolled Hem Foot, Fancy Stitch Foot, and a needle box. Each accessory has its own slot in the accessory tray.

#### Sew professional buttonholes!

It's easy to sew professional buttonholes in any length!

#### Several layers?

The high presser foot clearance makes it easy to place several layers or thick fabrics under the presser foot. Extra-strong motor gives constant needle piercing power.

#### Many needle positions!

For precise topstitching, without having to move the fabric! Perfect for sewing zippers in place.

#### Typical Pfaff:

A wide variety of stitches with the well-known Pfaff quality.
