Quilters have special needs!

The quilt expression 2048 fills them all.

Sewing convenience of the highest level and a creative scope the fires the imagination – that is the new quilt expression 2048 from Pfaff.

The quilt expression 2048 is an outstanding sewing machine with features which are especially important for quilting – a large work surface, extra-high presser foot clearance, fabric feed from top and bottom, an extra position for free-motion quilting, and more... Just select your sewing program, the expression window shows all information. Optimal stitch settings are already programmed. Everything is perfect and easy to use.

Simply lovely:

The new 9 mm stitches from Pfaff!

The 9 mm stitches from Pfaff are truly something special. It's obvious that the stitch designers had a love for details. Use these large stitches to get that extra touch on your projects.

The memory of quilt expression 2048 offers room for creative play!

Now it's possible to combine various stitches, to mirror them, and change them. The results are unique new creations – in your own personal style.

Only from Pfaff: Unique antique quilt stitches!

Beautiful, unique stitches, admired by quilting experts around the world. The quilt seam becomes a decorative detail, opening up new areas of creativity.

The ORIGINAL – only from Pfaff for over 35 years!

The ultimate in piecing perfection!

Absolutely even fabric feed from both the top and the bottom.

During sewing, the fabric is fed simultaneously from both the top and bottom. Absolutely nothing can slip when working with fine fabrics or several layers. It's wonderful for quilting because piecing and quilt blocks match exactly. The original IDT™ guarantees that the feed dogs are perfectly synchronized!

Only Pfaff has the original IDT™ built into its sewing machines.

Free Motion Sewing!

For all your stippling, free-motion embroidery and darning needs. Simply put the presserfoot lift in the free motion position and sew with any stitch.

"Needle up/down" function!

The needle remains in the down position while the presser foot is automatically raised, for easy pivoting in any thickness of fabric. This function is also available through the foot control!

Extra-high presser foot clearance!

High presser foot clearance is perfect for heavy fabrics or several layers of fabric!

All features at a glance!

Instant and permanent reverse:

Permanent reverse at the touch of a button! Leave your hands free to guide your project!

The ergonomic working surface. With lots of room for sewing and an optimal view of your projects.

Many needle positions! For precise topstitching, without having to move the fabric. Perfect for sewing zippers in place.

Information at the touch of a button!

Just touch the info button and important sewing recommendations appear in the illuminated window – such as the recommended presser foot, how to sew buttonholes and much more...

For each stitch, the optimal settings for length and width are already set. Settings can be adjusted if needed.

Program the exact number of stitches or stitch sequences you want to sew. Sewing stops automatically after the last stitch and the seam is tied off.

All the **stitches** are clearly **displayed inside the lid!**

Easy needle threading!

No more searching for the needle's eye. Just lay the thread in place and start sewing, thanks to the integrated needle threader!

Only from Pfaff!

Precise buttonholes – thanks to the sensational sensomatic buttonhole! Sew perfect buttonholes on every fabric.

The tapering function automatically narrows the width of a stitch during sewing to create decorative effects and perfect corners.

Bobbin winding through the needle is so easy! No need to rethread. Winding stops as soon as the bobbin is full.

Constant needle piercing power even when you sew slowly, with thick fabrics or through several layers of fabric.

"Snap on" – fast change for presser feet and needle plates – simply snap on and off!

Easily accessible thread cutter – easy to reach on the side of your quilt expression²⁰⁴⁸.

Sew on buttons easily with the special button sewing function!

Large accessory tray in the swing-out compartment! The most common accessories are included with the machine: Standard Presser Foot, Fancy Stitch Foot, Blindhem Foot,

Rolled Hem Foot, Edge Guide/Quilting Guide, Buttonhole Foot, Darning Foot, bobbins, etc. Individual compartments keep everything handy.

An adhering base plate makes your quilt expression²⁰⁴⁸ stand securely in place.

Carrying Case! To protect your quilt expression²⁰⁴⁸ when not in use or when travelling.

Easy Stitch Selection!

Just touch a button and start sewing. Easy stitch selection with the program buttons or the program dial.

Extra-large expression window!

Everything you need to know is shown in the illuminated, graphic expression window. You'll find recommended settings for stitch length, and stitch width. There's also an illustration of the stitch itself. Of course, each stitch has already been set for the optimal settings, which can then be adjusted if needed!

From A to Z – 2 great alphabets!

Personalize your quilts! Great for quilt labels!

Only from Pfaff:

Original IDT™ – absolutely even fabric feed from both the top and bottom. Only Pfaff has the original IDT™ built into the machine.
