Mount Redoubt

Midsummer's Dream

140002382

Gorgeous is the best way to describe this new dimension for Mount Redoubts' table runner pattern. The design for the long rectangular center of the table runner is a beautiful pond with a swan at each end, scattered lily pads and three 3-D floating flowers. It is absolutely stunning!

Garden of Grace

140002383

This pattern is a new shape for Mount Redoubt in a 28" circle wall hanging or table topper. There are three beautiful 3-D flowers in the center and two 3-D butterflies flying around the flowers. There are other straight stitched leaves and buds to accent the outside edges. It is truly love to behold and deceptively simple to make!

The Sewer's Traveling Tote is a great bag to use with all your sewing classes as well as any overnight trips. The lining of the bag features built-in billfold, a security pocket as well as other pockets to hold things in. The large outside bag allows you to carry your rotary cutter, mat and ruler. There are two pockets on the front for sewing magazines or patterns.

Create a wool felted bag that is heavily embellished with stitches.

You can create a custom fringe for the edge of the bag

add a rolled button and a serger chain loop for a closure. You have

a option of couching beautiful yarns onto the fabric to add fun to your

embellishing. Linda's unique Serger Applique method is used

to create an accent on the front of the bag. There

is an option of a shoulder strap or carry it as a clutch bag. You may also want to add an

embroidery design after the embellishments are

stitched. This bag is lined with the option of adding

a pocket inside for organizing small items. This is a

great sewing machine or serger/sewing machine

project. Stitch Options: Coverstitch stitches, Top

Coverstitches, Adapted Top Chainstitch and

Traditional Chainstitch. You can also use any of

the decorative stitches on your sewing machine.

Why not add a flower accent too?

Lillian's Garden Quilt

Quick strip piecing methods are used to speed the quilt piecing.

Use your sewing or embroidery machine to

embellish some of the fabrics before they are

incorporated into the blocks. 9 patch corner blocks

are joined to the sashings between the blocks. The

rows of the quilt are sewn/serged in a sandwich

fashion with the batting and backing all

sewn/serged together. There is minimal quilting to

do after the quilt is sewn together. Two borders are

added to the outer edges and a binding completes

the quilt. Instructions for 2 sizes are included in this

pattern.
