IDT™

The ORIGINAL – only from Pfaff for over 35 years!

The ultimate in piecing perfection! Absolutely even fabric feed from both the top and the bottom.

Practical features – easy to use!

The "Needle up/down" function!
By gently tapping the foot control, the needle remains in the down position for easy pivoting in any thickness of fabric.

Several layers?
The high presser foot clearance makes it easy to position several layers or thick fabrics under the presser foot. The extra-strong motor provides constant needle piercing power.

Only from Pfaff! Sensomatic Buttonhole!
Sew perfect buttonholes on every fabric and repeat them as often as needed.

The stitch package has been specially chosen to cover your fashion sewing needs, with a large variety of stitches. They can easily be selected with the **Direct Selection buttons**.

Many needle positions! For precise topstitching, without having to move the fabric. Perfect for sewing zippers in place.

ClassicStyle fashion²⁰²³ All features at a glance!

- **Original IDT™ (Integrated Dual Feed)** – absolutely even fabric feed from both the top and bottom. Fine fabrics, several layers – absolutely no slipping! Only Pfaff has the original IDT™ built into the machine.
- **29 stitches** have been specifically chosen to cover your most common needs when sewing fashion details. They can **easily be selected with the Direct Selection buttons**.
- **Only from Pfaff: Professional buttonholes** – thanks to the sensational **Sensomatic Buttonhole!** Sew perfect buttonholes on every fabric. There are several beautiful buttonholes included to make your garments even more fashionable.
- **Many needle positions!** For precise topstitching, without having to move the fabric.
- **Easy to use! The optimal length and width settings** for each stitch are already set.
- **Integrated needle threader!** No more searching for the needle's eye. Let the needle threader do the work so that you can start sewing!
- **"Needle up/down" function!** By gently tapping the foot control, the needle stays in the down position for easy pivoting in any thickness of fabric.
- **"Pattern Mirroring" function!** Mirror patterns horizontally for more stitch variety.
- **Permanent reverse** at the touch of a button! When sewing in reverse, your hands are free to guide your fabric.
- **Free-motion sewing position!** Use the special free-motion sewing position for the presser foot to get the highest clearance for your free-motion sewing.
- **Only from Pfaff: German engineering and innovative design!**
- **High presser foot clearance** to make room for heavy fabrics or several layers of fabric!
- **Constant needle piercing power** even when you sew slowly, with thick fabrics or through several layers of fabric.
- **Only from Pfaff! The ergonomic work surface!** With lots of room for sewing and an optimal view of your projects.
- **Extra-slim free arm** for working on tubular items like cuffs, trouser legs, necklines and more.
- **Easily accessible thread cutter is easy to reach** on the side of your ClassicStyle fashion²⁰²³.
- **Bobbin winding through the needle** is so easy! No need to rethread. Winding stops as soon as the bobbin is full.
- **Sew on buttons** easily with the special button sewing function!
- **Large accessory tray** in the swing-out compartment! The most common accessories are included with the machine: Standard Presser Foot, Fancy Stitch Foot, Blindhem Foot, Zipper Foot, Edge Guide, Buttonhole Foot, bobbins, etc. Individual compartments keep everything handy.
