

## Chapter 1

# Fabric to fabric

With this technique you can create a colored felt appliqué on top of a foundation fabric without sewing.

### You need:

- Light blue wool foundation fabric
- Dark blue wool fabric for the butterfly
- Scrap pieces of yellow and hot pink wool fabric
- Pfaff fabric marking pen part no 412 7525-01
- Printed butterfly template (included)
- Printed layout design template for the front piece of the cushion (included)
- Paper scissors
- Fabric scissors
- hobby™ 350p punching machine

### 1 Paper pattern

Cut out butterfly pattern from the template. Trace the butterfly on the darker blue wool fabric using the Pfaff fabric marking pen.

### 2 Cutting

- From light blue wool fabric (for the cushion front piece):  
One piece 44 x 44 cm (17,5" x 17,5")
- From dark blue wool fabric: Butterfly

### 3 Embellish/felting/punching

- Place the dark blue wool butterfly on the wrong side of the light blue wool fabric front cushion piece as shown in the layout diagram.
- Start in the center of the butterfly, "needle" loosely moving over most of the butterfly to "baste" it in place. Then let the machine "needle" a lot moving over the entire butterfly shape until it is securely fastened.

### 4 Sewing

- See PDF instruction "Sew the hobby™ 350p cushion".
