

Leather Foot

Pfaff GrandQuilter
#416 04 81 01

Machine Settings:
Thread tension: 4-5
Stitch length: 3-5
Foot pressure: 3-5

This foot is molded of a special resin for easy sewing of fabrics that might stick to a metal foot, Ultrasuede, faux suede, vinyl, imitation leather etc.

1. Attach the Leather Foot to the presser bar
2. Stitch seams or topstitching as desired.
