The ORIGINAL – only from Pfaff
for over 35 years!

The ultimate in piecing perfection!

Absolutely even fabric feed from both the top and the bottom.

During sewing, the fabric is fed simultaneously from both the top and bottom.

Absolutely nothing can slip when working with fine fabrics or several layers.

It's wonderful for quilting because points and quilt blocks match exactly.

The original IDT[®] guarantees that the feed clips are perfectly synchronized!

Only Pfaff has the original IDT[®] built into its sewing machines.

Only Pfaff guarantees perfect fabric feed with the original IDT[®]. That's one of the differences.

Quilted and pieced match exactly.

The fabric, several layers – absolutely no slipping or tearing for quilting!

Only from Pfaff!
The ergonomic work surface with lots of room for sewing!

Depending on needle size, it shows in the side-view illuminated graphic expression window.

The Pfaff sews in a fun way for extra ease of use! Feeds up/down, mirror designs, see size, and end-of-function. And touch the information and important sewing recommendations SCODE in the window.

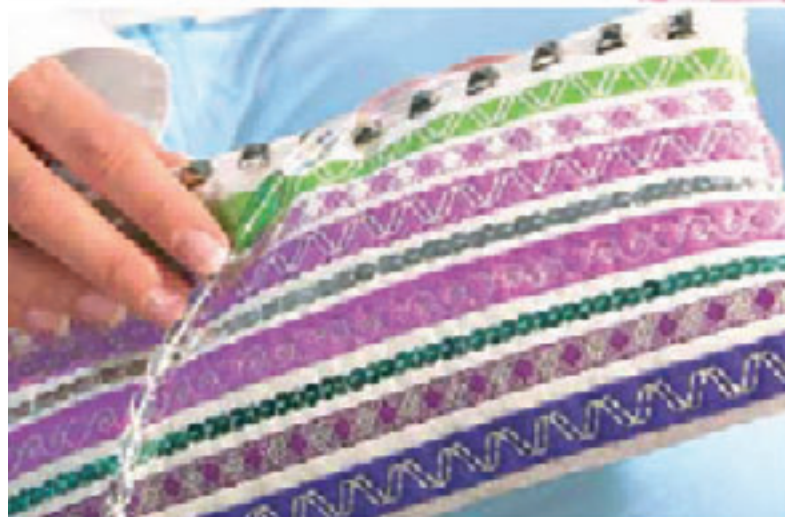

Alphabet included!
Add a personal touch with the latest expression alphabet! Combine letters in the graphic window to write entire words and save them in one of the memories. The Pfaff expression²⁰³⁸ then sews it in one step.

Simply lovely: The new 9 mm stitches from Pfaff!

The new 9 mm stitches from Pfaff are truly something special. Use them large, detailed stitches to add a personal touch to your projects.

Have fun with the memory on the quilt expression²⁰³⁸! Now it's possible to combine, mirror and change various stitches, resulting in beautiful creations that are uniquely your own. The 9 mm stitches from Pfaff are real highlights for everyone who loves creative sewing.

To see your Pfaff! Quilted and Progressive – the new 9 mm stitches from Pfaff. Find complete instructions for the quilted look at www.pfaff.com

Lower the feed clips from the front of the machine!
Best for sewing, free motion embroidery or quilting – the feed dogs can be easily lowered from the front of the machine.

9mm, Cross stitch, decorative or button!
The stitch is yours! It doesn't matter if you are sewing on light or heavy fabric – each outcome will be perfect. The seam line is the most unique decorative cut-around.

Mirror decorative stitches for a unique new look!
There is no need to turn the fabric while sewing.

See perfect corners!
Use the "opening" function to gradually increase or decrease the width of a side stitch. Simply sew the reverse factor and the stitch width is reduced accordingly.

Only from Pfaff: 101* integrated Dual Feed – even fabric feed from both the top and bottom. Five fabrics, several layers – absolutely no slippage!
Only Pfaff has the 101* built into the machine.

Only from Pfaff: German engineering and innovative design!

Convenient stitch selection with the Direct Selection buttons.

Important information for the chosen stitch appears in the illuminated expression window.

Optimal settings, like length and width, are already set for each stitch. Settings can be adjusted if needed.

* Needle up/down* function! The needle stays in the down position for easy pivoting in any thickness of fabric.

* Pattern Mirroring* function! Mirror patterns horizontally for more stitch variety.

Permanent reverse at the touch of a button! When sewing in reverse, your hands are free to guide your fabric.

Only from Pfaff: Precise buttonholes – thanks to the sensational Sensormatic buttonhole! Sew perfect buttonholes on every fabric!

Integrated needle threader! No more searching for the needle's eye. Let the needle threader do the work and start sewing!

Many needle positions! For precise topstitching, without having to move the fabric. Perfect for sewing zippers in place.

Constant needle piercing power, even when you sew slow, with thick fabrics or through several layers of fabric.

Only from Pfaff! The etaprom work surface! With lots of room for sewing and an optimal view of your projects.

Want to see the best needle? The illuminated expression window always shows when a twin needle can be used for a stitch.

* Snap on – fast change for presser foot and needle plates – simply snap on one side!

Extra-wide free arm for working on tubular items such as cuffs, trouser legs, necklines and more.

Easily accessible thread cutter – conveniently located on the side of your expression.

Bobbin winding through the needle is so easy! No need to rethread. Winding starts as soon as the bobbin is full.

Sew on buttons easily with the pedal button sewing function!

Large accessory tray in the swing-out compartment! The most common accessories are included with your expression:

Standard Presser Foot, Fancy Stitch Foot, Blind Stitch Foot, Rolled Hem Foot, Edge Guide/Cutting Guide, Buttonhole Foot, Bobbins, etc.

Individual compartments keep everything handy.

An adhering base plate makes your expression stand securely in place.

Carrying case! To stow your expression when not in use.

It's the extras that count! The expression²⁰³⁸ has them all!

Beautiful 0 mm stitches for tortoise details and creative applications.

The graphic expression window! Extra large and illuminated.

Sewing convenience at your fingertips: "No Off" function to secure the end of the seam at the touch of a button.

The tapering function automatically narrows the width of a satin stitch during sewing to create decorative effects and perfect corners!

Just a touch on the Info button and sewing recommendations for a selected stitch appear in the graphic expression window.

Three in one reel! Gives stitch and letter sequences to sew in one step repeatedly.

Ideal for darning or free-motion sewing, the feed dogs can be conveniently lowered from the front of your expression.

The right stitch for every sewing project!
