Pfaff Sewing Projects

In this section you can download wonderful sewing projects from Pfaff! Don't forget to come back from time to time - we add new projects as often as possible.

Click on the drop down box to see some of the new projects just added and make sure you check out our Featured Project of the Month below. All of the projects can be found in the drop down box above.

The Latest Sewing Projects, just click on the image for instructions.

Click on the project showing the design.

The page with the design photo and information will open. Read the information on this page, and be sure to jot down the coupon code that will be needed.

When you have written down the coupon code and are ready to download your design, click on this link. The coupon code will change each month.

This page also includes the project instructions that use the design. Download them now or come back later.

Project Name

Every month we will post a new free design for you to enjoy! The free design can be used with the free monthly project, also found on the web site. The design will be free for one month, **using the coupon code posted with the design**. Click on the link and you will be ready to download it from www.myembroideries.com.

Get the Design here- click today before this offer expires!

When you get to the Checkout, **insert the coupon code XXXX in the box**. Then click Apply Coupon.

After XXXX 2010, the design will be available for purchase from www.myembroideries.com.

Which File is For Me? Download the .vp3 format for creative vision, creative 4.0 or if you have 3D or 4D Embroidery software.* Download the .hus or .vip format for software other than 3D or 4D Embroidery Systems. *The .vp3 format uses true thread colors keeping the downloaded design colors closest to the original.

Click here for project instructions.

You have now arrived at the myembroideries.com site. You will be taken directly to the design which you wish to download.

There is only one design. If you click on the Design Name XXXX00, you are clicking on the collection. Because there is only one design in this collection, it will take you to Design Name XXXX01
Click on XXXX01.
