

Create a new stitch

How many stitches can be created from one stitch pattern?

- from Canada, Betty Biberdorf -

STITCH #1

This will be the base for all stitches in this exercise!

Please attach your USB mouse to your PFAFF® creative vision™ sewing and embroidery machine.

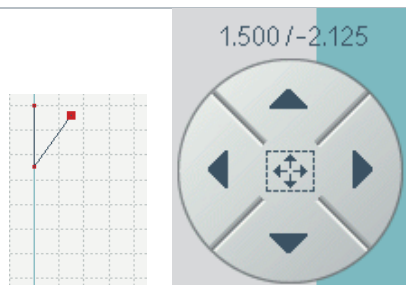

- 1 Open the Stitch Creator program, touching on Stitch Creator icon in the task bar.

- 2 To insert one stitch touch New stitch point. Leave as inserted.
The marking arrows (beneath the Multi-select icon) shows 2/2. It takes two needle entry points to make the first stitch. The larger red square indicates the current position (2/2). Each grid is 1mm.

- 3 Touch New stitch point again to insert 3rd needle entry.
Touch and drag on screen to move the stitch point to 1.500/-2.125 or use the wheel for fine tuning the stitch position.

- 4** Touch New stitch point again to set another stitch (4/4).
 Move the New stitch point back to the same position as stitch point #2, i.e coordinates 0.000/2.125.

- 5** Touch New stitch point to set the following stitches:

- a)** Stitch 5/5 - move to 3.125/-1.500

- b)** Stitch 6/6 (back again)
 - move to 0.000/1.500

Use fine tune wheel if required.

- c)** Stitch 7/7 - move to 4.500/0.000

- d)** Stitch 8/8 (back again)
 - move to 0.000/0.000

- e)** Stitch 9/9 - move to 3.125/1.500

- f)** Stitch 10/10 (back again)
 - move to 0.000/-1.500

- g)** Stitch 11/11 - move to 1.500/2.125

- h)** Stitch 12/12 (back again)
 - move to 0.000/-2.125

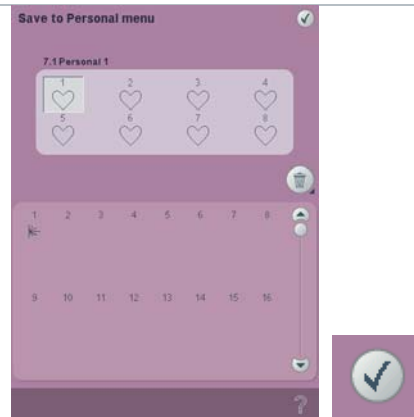

- i)** Stitch 13/13 - move to 0.000/2.500
