**Supplies needed to create the decorative border:**

- PFAFF® sewing and embroidery machine
- Fabric strip, 7”(15cm) white quilting fabric same width as the quilt plus 1-2” extra for seam allowance.
- Rayon embroidery thread and sewing threads in colors that will match you sewing project
- Velvet ribbon, (you need two times the width of your quilt plus an inch extra for seam allowance at the short edges of the ribbon.
- INSPIRA™ Tear-A-Way stabilizer, same width as the fabric strip and same length.

**Optional accessories that you might want to use for making the quilt decoration:**

**Extension table:** Maximize your workspace

- Specially designed the Extension Table allows you to convert your free arm into an extended flat bed. The perfect support for large projects such as quilts or home dec items!

**Multi-line foot #821082096**

The Multi-line foot will provide the guide for spacing the decorative stitches evenly and turn corners.

Guidelines are provided for accurately turning corners of ¼" (6mm) and 1/2" (12mm) measurements.
