TOP FEATURES (continued)

A Wide Variety of Beautiful Stitches

Select from 150 stitches 7mm wide, including utility stitches, buttonholes, quilt stitches, needle art stitches, satin stitches, decorative stitches and optional feet stitches. Uppercase and lowercase block and cyrillic letters, plus numbers and symbols, to personalize any sewing project.

101 Fantastic Embroidery Designs Included

Choose from a variety of high-quality designs.

Electronic Thread Tension

Optimal needle thread tension is set electronically for every stitch and embroidery.

SEWING FEATURES

One-Step Buttonhole

Sew buttonholes easily with consistent results every time.

29 Needle Positions

Perfectly place your straight stitch with 29 positions. Perfect for topstitching, edge stitching, under stitching, stitching-in-the-ditch and quilting.

Needle Up/Down

Set needle to stop up or down in the fabric for pivoting, appliqué and more.

Twin-Needle Program

Enter twin-needle size to automatically adjust the stitch width. You can see the twin-needle stitch on the screen.

Personal Stitch Settings

Change the settings on built-in stitches to your personal liking.

Snap-on/Snap-off Presser Feet

Changing the presser feet is easy – no screwdrivers or other tools are needed – just snap them on or off.

External Feed Dog Drop

Convenient location to lower the feed dogs from the back of the free arm. Ideal for stippling, free-motion, embroidery or darning.

Stitch-Width Safety

The Stitch-Width Safety feature prevents needle breakage. It limits stitch width to center-needle straight stitch for using a straight-stitch foot.

Stitch Positioning

Moves the complete stitch right or left to change the stitch position.

Automatic Tie-off

Ties off automatically at the beginning and/or the end of a seam.

EMBROIDERY FEATURES

Two Embroidery Fonts Included

Two embroidery fonts in three different sizes are built in. Uppercase and lowercase letters, plus numbers and symbols to personalize any embroidery project.

Scale

Increase or decrease the design up to 20 percent from the original size to fit your project.

Included and Optional Hoops

The Master Hoop (240x150mm) is included with your machine. There is also a wide variety of optional hoops available.

USB Connection

Transfer embroidery designs quickly and easily between your *creative ambition* 640 and your computer with the USB embroidery stick.

Design Basting

Baste around your design for easy placement or to hold the fabric in place.

USB Embroidery Stick Included

The 4 GB USB embroidery stick holds designs included with the machine. It can also be used as convenient storage, backup and to transfer your personal embroidery files.
