Cushion with Patchwork

*Note: The measurements represent finished lengths, not cutting measurements.*

1. Cut 7 triangles from colorful fabric and 14 half triangles from pink fabric (don't forget seam allowance). Create 7 blocks by sewing 1 triangle together with 2 halves. Piece the 7 blocks into a strip. Sew a dark grey strip to each side of the triangle strip
2. Apply fusible batting to the back of the three front pieces.
3. Sew a seam inside the triangles.
4. Free-motion sew on the grey fabric pieces using the open-toe free-motion foot.
5. Sew the three front pieces together and complete the cushion.
6. Insert a zipper using the Invisible Zipper Foot (optional).
7. Use the Grand Piping Foot (optional) to create piping and give a luxurious finish to the cushion
