

## Features and Benefits

# hobbylock™ 2.5

- **4, 3, 2 thread sewing** – many options for utility and decorative sewing.
- **Sturdy machine with a large sewing space** – A large sewing space ensures easy maneuvering of fabric.
- **15 stitches** – trim, stitch, overcast and decorate projects in half the time.
  - **4-thread overlock** – reinforced overlock stitch for perfect sewing, trimming and finishing.
  - **3-thread overlock** – wide and narrow overlock seams and decorative techniques.
  - **2-thread overlock** – rolled edge and flatlock, wide and narrow.
  - **Built-in rolled edge** – sew 2 or 3-thread rolled hems quickly without changing the presser foot or stitchplate.
- **Auto Tension Dial** – you select the desired stitch and thread tension is automatically set.
- **Tension release** – threads pull easily when presser foot is up.
- **Easy threading instructions** – step-by-step interactive DVD included in the box.
- **PFAFF® Design** – built to make sewing easy and to achieve the professional results that the sewer wants.
- **Differential feed** – adjustable for perfectly even seams, no stretching of knits or puckering of fine fabrics.
- **Speed**
  - **Sews 1200 stitches per minute** – sew faster, save time.
  - **2 sewing speeds** – When you want more precision use the slower speed.
- **Lay-in tension and color coded thread paths** – for quick and convenient threading.
- **Adjustable stitch length, cutting width and presser foot pressure** – choose optimal settings for different fabrics and techniques.
- **Extra presser foot height** – room for several layers or heavy fabrics.
- **Electronic piercing power** – stitch-by-stitch control with full piercing power at all speeds.

- **Presser feet**
  - **Snap-on presser foot** – easy to change to optional feet for specialty techniques.
  - **Universal Standard presser foot** – can be used with all built-in stitches.
  - **Optional feet** – a wide range of optional accessories to enhance your sewing results. Please check the online accessory catalogue at [www.pfaff.com](http://www.pfaff.com) for more details.
- **Upper cutter mounted from below** - convenient when threading. No need to disengage.
- **Built in two thread converter** – easy conversion to 2-thread stitches.
- **Thread cutter** – conveniently placed for quick cutting of threads.
- **Built in extended carrying handle** – move the machine without tangling the threads.
- **Waste tray** – catches fabric trimmings.
- **Safety lockout** – when the front cover is open the machine will not sew.
